MUSIC and YOUR MIND

Did you know that listening to Mozart makes you smarter?
or that Mickey Hart's "Planet Drum" can give you a boost of energy?
or that "The Ellington Suites" (Duke Ellington) can spark your creative juices?

Come to CCSMA and join instructor, Ida Jo Gates, for 18 (eighteen) weeks of discovering music to help you relax, heal, create, focus and cleanse. For just \$9.17 per class (including materials), students will hear music of all genres and styles, discuss articles by prominent researchers in the field of music and its effect on the brain.
